They're fun. They're free. They're in Sugar Smacks. Funny Uglies!

This summer you'll find more than just Sugar Smacks inside the Sugar Smacks box.

You'll find little plastic Funny Uglies in lots of bright colours. You can snap them easily together to make a totem pole (or you can keep them separate and use them as a necklace).

Why don't you make a full model of an Indian village with the totem pole as the centrepiece?

But whatever you do with your Funny Uglies, there's only one sensible thing to do with crunchy Sugar Smacks: eat lots of them.

The more you eat the more Funny Uglies you collect, and the more fun you have.

It's as simple as that.
